## PAMA Board of Directors 2017

### Call for Nominations

Dear PAMA Member:

PAMA is announcing a call for nomination for our annual elections. As a regular member of PAMA, you have the opportunity to be considered for any open Board of Directors position. As a non-profit organization, PAMA relies on the knowledge and support of its members. Serving on the Board of Directors gives members the occasion to directly impact the direction and operations of the only association serving aviation maintenance technicians.

If you are interested in being considered for the slate, please fill out the enclosed nomination form or go to [www.pama.org](http://www.pama.org) and download the form. An individual running for a board seat must be nominated by another individual and **cannot be self-nominated**. Be sure to complete the form online or by submitting Page 2 of this document.
